

Municipal Services Committee Meeting – May 27, 2024

Agenda Item #11.1

Notice of Motion: Councillor Dunfield: Ronald E. Holman Municipal Complex Outdoor Space

Moved By: _____

Seconded By: _____

The Ronald E Holman Centre is currently under construction of a major recreation complex to include such amenities as a pump track, pickle ball court and pavilion for shelter, a walking path, a playground, a timber framed entrance, an electronic sign, lighting for the sport facilities and other facilities as needed.

Therefore be it resolved, that the Treasurer prepare a report identifying the anticipated budget amount for the complete project, identify all revenue sources received from day one, identify all costs incurred to date and provide all anticipated future revenue sources and expenditures so the members of Council may clearly understand future budget requests associated with this project.
